Premium Catalogue
Est. 2025

Company Profile

ALSHAYAN is committed to delivering premium natural honey with hygienic processing and customer trust.

About Us

Our mission is to provide 100% pure, natural honey while maintaining quality and transparency.

Bee Farming

Scientific colony management, seasonal migration, healthy bee care, and nectar-rich floral sources.

Honey Collection

Harvesting only mature combs using food-grade equipment under hygienic conditions.

Manual Processing

No unnecessary heating. Hygienic handling and careful batch-wise processing.

Filtration

Multi-stage filtration while preserving natural properties of honey.

Quality Control

Moisture checks, batch records, hygienic production, and food safety practices.

Packaging

250g, 500g, 1kg jars. Tamper-evident sealing and premium labeling.

Products

Natural Honey, Raw Honey, White Mustard Honey, Bulk Supply, Private Label.

Why Choose ALSHAYAN

Pure • Hygienic • Premium • Wholesale • Retail • Export Ready

Bulk & Export

Customized packing, private labeling, and bulk supply solutions.
