

NATURAL WHITE HONEY & ACACIA HONEY

Pure by Nature • From Our Farm to Your Home
Naturally Produced Honey | Farm Direct | Pure & Authentic

ABOUT ALSHAYAN ALSHAYAN

Natural White Honey is a premium honey brand focused on natural presentation, hygienic handling, attractive packaging and reliable supply. Our brand identity combines honey, bees, natural flowers and mountain imagery to communicate purity and premium natural sourcing.

OUR STORY

At Al Shayan Natural White Honey & Acacia Honey, we believe that the finest honey begins with healthy bees, natural surroundings and responsible farming. We are involved in our own farming and honey production, allowing us to carefully monitor the journey of our honey—from the flowering fields and bee colonies to harvesting, processing and packing.

OUR AIM

Is simple: To bring you pure, naturally sourced honey with the goodness of nature in every drop. We focus on maintaining the natural character, taste and quality of our honey while following hygienic and responsible production practices.

BRAND PRAMISE

To offer beautifully presented honey products while building long-term relationships with retailers, distributors, hotels, cafés and bulk buyers. PURE • NATURAL • PREMIUM A premium honey collection for retail, wholesale, hospitality and private-label buyers.

OUR SPECIALITY

 **FARM DIRECT** Honey produced through our own farming practices and bee colonies.

 **NATURALLY SOURCED** Collected from naturally occurring floral sources and carefully harvested.

 **PURE & AUTHENTIC** Our focus is on delivering genuine honey with its natural taste and character.

 **FROM OUR FARM TO YOUR HOME** We maintain greater control over the production journey, from farming to final packing.

 **QUALITY YOU CAN TRUST** Every pack is prepared with care, hygiene and attention to quality.

FARM TO BOTTLE OUR HONEY JOURNEY

- 01. FARMING** We maintain our own farming and bee colonies.
- 02. FLOWERING** Bees naturally collect nectar from flowering sources.
- 03. HONEY COLLECTION** Honey is carefully harvested from the hives.
- 04. PROCESSING & PACKING** The honey is handled hygienically and packed with care.
- 05. YOUR HOME** Pure, naturally sourced honey reaches you. From Our Fields. From Our Bees. From Our Care.

WHY CHOOSE AL SHAYAN HONEY ?

We don't just sell honey—we value the entire journey behind every bottle.

Own Farming Our connection with farming helps us maintain better control over our production.
Bee-Focused Production Healthy bee colonies are at the heart of quality honey production.
Natural Taste We aim to preserve the authentic taste and character of honey.
Hygienic Handling Care and cleanliness are maintained throughout harvesting and packing.
Multiple Pack Sizes From 45 GM trial packs to 550 GM family packs, there is a size for every need.
